INTERNSHIP

Placement Dost

📅 2024　📍 Ajmer

During a 3-month online web development internship, I designed and developed an ecommerce website and a portfolio site. Using HTML5, CSS3, JavaScript, TypeScript, Bootstrap, and PHP, I created dynamic and responsive interfaces for both projects. These experiences significantly strengthened my skills in frontend and backend web development.

- Web development
- Domain & Hosting
- Deploying Website

Netparam Technologies Pvt. Ltd.

📅 2023　📍 Jaipur

My duties encompassed deploying Linux systems, managing servers, and leading a team to ensure smooth exam operations. During this experience, I gained valuable insights into effective team management, Linux system administration, server deployment, and the intricacies of exam center operations. This role enhanced my skills in leadership, technical coordination, and operational efficiency within a high-pressure environment.
